

Virtual Senior Kiwi Chat Day

Thursday 25th November 2021, 9:30am – 10:15am

Welcomes all school aged users of alternative and augmentative communication systems.

*This time the Kiwi Chat Day will be held at:
Your home or school via Zoom*

THEME OF THE DAY: Disco
Come dressed for a party if you can!

TIMETABLE

9:30am	<i>Caption this!</i>	Before we start, we will have a funny photo ready for you to caption whilst everyone is getting set up. In your bubble try and think of the funniest sentence you can relating to our picture and share it in the chat with your name.
	<i>Arrival and introductions</i>	Students and carers will be welcomed and introduced to staff running the day. It would be great if students could use their communication device to greet staff and others attending.
	<i>Share a story</i>	Listen to a reading of 'Kitchen Disco' and let's talk about what is happening in the book.
	<i>Let's move</i>	Let's have a dance to warm up our brains.
	<i>Activity Time</i>	Let's choose a playlist, learn some dance moves and have a disco!
	<i>Chat sheet</i>	We will talk you through the Chat Sheet that we have provided you to talk about following our session.
	Vocabulary suggestions:	We are promoting the use of core words for our students who are using communication systems. Words related to colour, shape and size and describing words will all be great. These might be words such as Big, fast, slow, little, silly, who, listen, you, problem, good, bad, like, more, stop.

10.15am ***Finish***

Attendance: **Please RSVP on the website at**
