

CAGs FARM TRIP

Hi everyone! We are CAGs, a group of adults who meet up every 6 weeks at TalkLink, Auckland. We come together to discuss various topics, meet other individuals who also use communication systems, and spend some time using our communication systems in a supportive environment.

On the 21st of March 2019, our group went on a trip to the Farm at Mount Albert Grammar School. Farmer Brett showed us around and explained to us the vision of the farm. We saw calves being fed and we even got to feed some chickens out of our own hands. Check out some of our pics and what our CAGs members thought of the outing ...

"Sweet. I liked seeing the cows drinking milk"
 - Aloha

Cute dog, loved it, happy"
 - Ravin

"Good, it was a hot day!"
