

# Creating Communication

## Opportunities

### Throughout the day

A practical one-day workshop for teachers, teacher aides, families, whānau, health professionals and other interested people. This workshop looks at ways to support and develop your student's communication throughout the school day. Both low tech and high tech options will be explored. Lots of practical tools, resources, tips and tricks will be shared. The learning will be applicable to individuals of all ages – preschool to adults.
