

Pre-reading sequencing activity.

Stay quietly in your seat

Buy ticket

Find the right theatre

Put rubbish in bin as you leave

Buy snacks and drinks

NOTE:

Before we read the story about going to the movies, we will do a pre-reading activity asking participants to try and put these activities related to going to the movies in the correct order. You might like to print out one copy to work with your group, or a copy per learner. Feel free to only use 3 or 4 items if that is more suitable for your learners. Once we have read the story, we will double check our sequencing.
