

# Tools Workshop

A practical, hands-on workshop where clinicians can upskill around the latest AAC systems available for trial and assessment consideration.

## REGISTRATIONS

**Date:** Tuesday 13 October 2020

**Time:** 9am-3pm

**Venue:** BLENNZ Tauranga Visual Resource Centre, 78 Carmichael Road, Bethlehem, Tauranga

Numbers are limited. Follow this link to register online:

<https://talklink.org.nz/tools-workshop>

## Workshop content

This workshop will focus on:

- Low, mid and high-tech options for clients who meet CAT Level 1 criteria.
- The day focusses on using SETT to inform decision making, identifying important features and functions of specific AAC tools.
- We will also work through case examples to combine SETT and tool knowledge.

## Cost

**Cost \$100 per person (including GST).**

**Please note this is free to therapists enrolled in paid supervision through TalkLink.**

**Morning tea is provided.**

**Please bring your lunch.**
