Instructions: This alphabet board is designed for people who either cannot talk or have speech that is difficult to understand, but have literacy skills and can spell all or most words. If you think the person has something they need to tell you:

1. Place the board in front of the person
2. Ask the person to spell out what they want to say
3. Check how they are going to access the board
4. Clarify what was said by repeating back the word
