

USING CORE WORDS IN EVERYDAY ACTIVITIES

EATING ICE CREAM

I scream, you scream, we all scream for ice cream! A fun and delicious way to use core vocabulary while you enjoy your favourite flavour.

CORE WORDS	People/thing words	I/me, you/your, it, we
	Action words	Come, eat/taste, feel, get, give, go, help, like, look, make, open/close, put, tell, sit, take, want
	Position words	here, there, on, up, in, down
	Describing words	good, more, different, same, all done/finished, big, little, cold, fast
	Question words	What, who, where
WAYS TO USE THE WORDS		I like it!, It's good, I want more, it's cold, eat fast, I want more, I need help, you take more, me give you, I like different, we eat now, we sit down, it tastes good, I feel happy, go get some, what you like?, put more in, put it away, it's all finished
REASONS TO COMMUNICATE WITH THESE WORDS		Requesting (help, flavours, colours, quantities, cone vs cup), rejecting/protesting, commenting, describing, asking questions, answering questions, making choices
RELEVANT FRINGE WORDS		Flavours (Eg chocolate/vanilla/strawberry/cookies n cream), ingredients, cup vs cone, utensils (spoon, napkin), describing words (cold/yummy/delicious/runny)

★ Remember, you don't need to find every word you are saying on the communication system, just focus on the **key** words. These are the most important words. You can still speak a 'full' sentence out loud, while pointing to symbols for the key words.

So you might say 'I like it', but just point to/press the 'like' symbol, until you feel confident to join 2 or 3 symbols together. ★

PATHWAYS FOR DIFFERENT SYSTEMS

Different communication systems use different 'pathways' to find the words.

Below are some of the pathways for commonly used communication systems.

77 symbol core board
