

Adult Communication Tools Workshop

A practical, hands-on workshop where clinicians can upskill around the latest AAC systems available for trial and assessment consideration.

REGISTRATIONS

Date and time: Thursday 30th September
9am-3pm

Venue: To be confirmed in Central Auckland

Numbers are limited. Follow this link to register online:

<https://talklink.org.nz/tools-workshop>

Workshop content

This workshop will focus on:

- Low, mid and high-tech options for clients who meet CAT Level 1 criteria.
- The day focusses on using SETT to inform decision making, identifying important features and functions of specific AAC tools.
- We will also work through case examples to combine SETT and tool knowledge.

Cost

Cost \$150.00 per person (including GST). Please note this is free to therapists enrolled in supervision through TalkLink.

Please bring your lunch.
