

Virtual Senior Kiwi Chat Day

Thursday 10th June 2021, 10am – 10:45am

Welcomes all school aged users of alternative and augmentative communication systems.

*This time the Kiwi Chat Day will be held at:
Your home or school via Zoom*

THEME OF THE DAY: Space!
Dress as an alien if you can 😊

TIMETABLE

10:00am *Caption this!*

Before we start we will have a funny photo ready for you to caption whilst everyone is getting set up. In your bubble try and think of the funniest sentence you can relating to our picture and share it in the chat with your name.

Arrival and introductions

Students and carers will be welcomed and introduced to staff running the day. It would be great if students could use their communication device to greet staff and others attending.

Share a story

Listen to a reading of our story and let's talk about what is happening in the book.

Let's move

Let's have a dance to warm up our brains

Let's watch

Let's watch our teacher friend Jane show us how to do a fun activity. You can try this after the meeting has finished.

Chat sheet

We will talk you through the Chat Sheet that we have provided you to talk about following our session.

Vocabulary suggestions:

We are promoting the use of core words for our students who are using communication systems. Words related to colour, shape and size and describing words will all be great. These might be words such as Big, fast, slow, little, silly, who, listen, you, problem, good, bad, listen.

10.45am *Finish*

Attendance:

**Please RSVP on the website at
<https://talklink.org.nz/kiwichat-groups>**

Please do not hesitate to contact us with any questions. We look forward to seeing you soon.
